Submission guidelines

Paper submissions and panel proposals will be judged on the basis of extended abstracts that should be between 5 and 7 pages long and send to: Immaa.conference2017@gmail.com. On a separate page, submitters should include with their abstracts full name, title, position, affiliation and contact information (including email address and phone number) for all contributing authors. All extended abstracts and proposals should be submitted in English. Work represented should be original and should not be under consideration for another conference at the time of submission. All submissions will be peer-reviewed in a double-blind fashion by referees nominated to the Conference Program Committee. Copyright for all extended abstracts and proposals will reside with the authors. By submitting the extended abstract or the proposal, the author agrees to grant conference organizers non-exclusive use of the material for publication in the conference proceedings.

Registration fees

The early bird registration fee is €200 and the fee for later registrations is €250. A reduced registration fee of €140 is available for students and junior academic researchers (less than 5 years past receipt of their doctorate).

About IMMAA

IMMAA (International Media Management Academic Association) is a global association of academics researching critical issues of media management with the goal of improving practice and understanding of media markets and institutions for the ultimate benefit of media managers and the students who will be the media managers of the future. Its diverse international membership fosters and promotes an appreciation for the differences among countries and cultures that contribute to characteristics that differentiate national media markets and shape relationships among them. Past conferences were held in Chicago, San Francisco, Saarbrücken, New York, Lisbon, Pamplona, Moscow and Seoul.

Media Sustainability, Value Creation and Public Policies

While the range of topics addressed at the IMMAA's 2017 Annual Conference in São Paulo may be as broad as the issues that must be addressed by managers and policy makers in media markets, the 2017 conference will focus especially on the implications of disruption in media markets for management strategy and educational practice. Following is a non-exhaustive list of topics for which IMMAA is encouraging submissions.

- Journalism and media sustainability
- Value creation and business models
- Media audiences and research and metrics
- The temporal aspects of competition in media markets
- Disruption and innovation in media markets
- Venture capital, crowdfunding and media financing
- Media business and telecommunication
- Cooperation and competition in media markets
